4        **Special Condition # 14:** The defendant shall participate in substance abuse testing, to include not more than 365 urinalysis tests and not more than 365 Breathalyzer tests annually during the period of supervision. The defendant is to pay all or part of the cost of testing as determined by the United States Probation Officer.

**Supporting Evidence:** On May 11, 2017, the undersigned officer reviewed the conditions of supervision with Mr. Collins. He signed his judgment acknowledging his understanding of the conditions of supervision, to include special condition number 14, as noted above.

Mr. Collins violated his conditions of supervised release in Spokane, Washington, by failing to submit to a random urinalysis test at Alcohol Drug Education Prevention and Treatment (ADEPT) on September 11, 2017.

Per Mr. Collins' above-referenced condition of supervised release, he was referred to random urinalysis testing at ADEPT, assigned the color brown 1, and directed to call ADEPT's urinalysis testing hotline daily. In the event ADEPT reported the color of the day was brown 1, he was directed to report to their office and submit to testing between the hours of 7 a.m. and 7 p.m.

On Monday, September 11, 2017, the color of the day for drug testing was brown 1, and per the ADEPT roster, Mr. Collins was marked as a "no show" for his random urinalysis test. On September 14, 2017, when confronted about the missed urinalysis test, Mr. Collins admitted he did not provide a urine sample at ADEPT on September 11, 2017.

The U.S. Probation Office respectfully recommends the Court incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on September 6, 2017.

I declare under penalty of perjury that the foregoing is true and correct.
